DOCK LIKE A PRO

Traditional jet boats are known to be a handful at slow-speed maneuvers and idle. Scarab and Rotax® teamed up and refined a system that removes and replaces that stress with confidence. Achieve true neutral, rotate effortlessly, and place the boat exactly where you intend. No more sweaty palms as you approach the dock.

ADJUST ON-THE-FLY

Customizing how your Scarab handles at the dock is simple and intuitive. Rotax iNR® (intelligent neutral and reverse) gate plus intelligent throttle modes combine to give you unmatched maneuverability on the water.

COMPONENTS

Our exclusive factory warranty covers material, labor, and most boat components for three years; exceptions apply. Our service experts use state-of-the-art software technology for claim processing; a direct link to the craftsmen that manufacture your boat. *Trailer warranty limited to one year.*

HULL STRUCTURE

A lifetime structural hull or deck warranty applies to the first retail owner. A testimony of hull design and structural engineering makes the warranty transferable to the second owner; limitations apply.

OSMOSIS

A prorated warranty covers osmotic blistering for five years. Our engineered Vinyl Ester barrier coat has the best track record in the industry for minimizing hull blistering—a process of construction that gives you peace of mind.
